

Think You're Too Young to Help? Think Again!

There are lots of things kids can do to help animals and East Tennessee Spay & Neuter. Be creative! Here are some ideas:

- 🐾 Organize a fundraiser through your school or club. Great ideas include walk-a-thons, raffles, bake sales.
- 🐾 Make blankets or toys for animals, then sell them to raise money. Tied fleece blankets and toys are great.
- 🐾 Ask friends and family to make a donation to ETSN instead of giving you birthday gifts.
- 🐾 Encourage caring and kindness for all animals. Show respect for animals by treating them with compassion, and encourage others to do the same!
- 🐾 Save inkjet cartridges, old cell phones, and aluminum cans for recycling, and get others to do it too.
- 🐾 Have a Pocket Change for Pets competition at your school to see which class can bring in the most change.
- 🐾 Tell people about the importance of proper pet care and spaying and neutering. Give them ETSN's information.
- 🐾 Make and sell craft items such as jewelry or personalized items with a pet theme.
- 🐾 Sell ETSN's Don't Litter! Fix Your Critter!™ t-shirts
- 🐾 Hand out our literature or volunteer at special events
- 🐾 Put a penny in a jar for each minute you play a computer game, & donate the money. Get your friends to do it too!
